

DENVILLE BLUE ANGELS FOOTBALL

June 11, 2018

Dear Local Business Owner / Manager,

The Denville Blue Angels Football organization is sponsoring its 18th Annual Golf Outing Fundraiser on August 17th, 2018 to raise funds for the “Vamp Up Vets Field” project. All the proceeds from this year’s golf outing will go to helping pay for the following improvements to our beautiful turf field.

New Raised Bleachers: These will improve the viewing experience of all fans and include handicap ramps and improved access to the stands.

Press Box and Sound System: Announcing and filming games made easier – all the kids love to hear their name called!

New Scoreboard: From the fans to the players – everyone wants to know how much time is left and what the score is!

Our football program remains strong and offers the chance to play Flag Football and Tackle Football to the children in Denville. We are a non-profit which must financially sustain itself and rely on the kindness and charity of local business owners and managers who value an active youth sports community in Denville, especially for this field improvement project – which is for the benefit of all youth sports organizations in Denville who use Veterans Memorial Field.

In addition to a fun day of golf, we will be holding a silent auction of goods and services donated by generous business owners like you. Not only will your donation help to raise funds for the “Vamp Up Vets Field Project” but each business that sponsors or donates something will also be publicly acknowledged during the day’s events.

On behalf of the Denville Blue Angels organization including the young athletes and their coaches, and the Vamp Up Vets Field committee we would like to personally thank you for considering a donation towards our efforts. If you decide to help, we would appreciate your donation as soon as possible. Please reach out to Joe Rodriguez at Joerodnj@yahoo.com or text at 973-610-1338 if you have any questions regarding the donation or to have him pick up your donation.

Once again, thank you for your assistance.
Sincerely,

Thomas Forgione
President-Denville Blue Angels
